

Pediatric Interventional Radiologist
Jacksonville, FL

As one of the nation's leading pediatric health care systems, Nemours is committed to providing all children with their best chance to grow up healthy. We offer integrated, family-centered care to more than 300,000 children each year in our pediatric hospitals, specialty clinics and primary care practices in Delaware, Florida, Maryland, New Jersey and Pennsylvania. Nemours strives to ensure a healthier tomorrow for all children – even those who may never enter our doors – through our world-changing research, education and advocacy efforts. At Nemours, our Associates help us deliver on the promise we make to every family we have the privilege of serving: to treat their child as if they were our own.

Nemours Children's Specialty Care, Jacksonville, is currently seeking a third Interventional Pediatric Radiologist to join nine Pediatric Radiologists including two Interventional Pediatric Radiologists. Nemours is a pediatric tertiary care subspecialty clinic located in Jacksonville, Florida. The position involves full-time responsibilities as an attending Interventional Radiologist at our freestanding outpatient facility and at Wolfson Children's Hospital. Wolfson is a 216-bed pediatric hospital where all imaging modalities are utilized. An opportunity for academic appointment to the Mayo Medical School is available.

Nemours Children's Specialty Care, Jacksonville, is currently seeking a third Interventional Pediatric Radiologist to join nine Pediatric Radiologists including two Interventional Pediatric Radiologists. Nemours is a pediatric tertiary care subspecialty clinic located in Jacksonville, Florida. The position involves full-time responsibilities as an attending Interventional Radiologist at our freestanding outpatient facility and at Wolfson Children's Hospital. Wolfson is a 216-bed pediatric hospital where all imaging modalities are utilized. An opportunity for academic appointment to the Mayo Medical School is available.

The preferred candidate will have strong skills and experience in the performance of interventional procedures, and will also have solid skills in the interpretation of diagnostic pediatric radiology exams, excellent clinical and interpersonal skills, and the desire to collaborate with clinicians to deliver the best in imaging care.

As one of the nation's premier pediatric health care systems, Nemours provides world-class clinical care in four states – Delaware, Florida, New Jersey and Pennsylvania. Nemours is nationally known for leadership in prevention, quality and safety, family-centered care, continuous improvement (lean), and informatics. Nemours Radiology provides full pediatric imaging services (diagnostic and interventional) for the Alfred I. duPont Hospital for Children in Wilmington, DE, Nemours Children's Hospital in Orlando, FL, Nemours Children's Specialty Care in Jacksonville, FL, Nemours Children's Clinic in Pensacola, FL, as well as staffs pediatric radiology at Wolfson Children's Hospital in Jacksonville, FL.

Nemours radiology services are integrated within a single PACS with faculty working from common work-lists. In 2017, nearly 300,000 imaging examinations were performed in the system. Faculty are licensed in Delaware, New Jersey, Pennsylvania, and Florida and credentialed throughout the system. By creating an integrated Nemours-wide Radiology department, there is a critical mass of 38 pediatric radiologists, making it one of the largest pediatric radiology faculty in the nation. This critical mass has enabled marked improvement in report turn-around times, increased sub-specialization, dramatic increase in academic productivity, development of partner relationships with other hospital systems, and work on system-wide quality improvement and safety initiatives.

The Nemours Division of Interventional Radiology with 8 full time FTE's spans three integrated campuses and will soon be among the largest pediatric IR divisions in the country. The Division runs vascular anomaly, musculoskeletal, liver, diagnostic neuro, oncology and trauma services within the enterprise which will encompass over 8000 procedures this year. Most interventional physicians have licenses and credentialing at separate campuses with integration which allows real time cross campus consulting in the suite and North and South region call coverage. The Division also runs clinic and inpatient services and has consistently earned top Division Press Ganey customer satisfaction scores in the System.

Interested candidates should forward their formal CV and references to:

Chetan C Shah, MD
Interim Chairman, Department of Medical Imaging
Nemours Children's Clinic
807 Children's Way, Jacksonville, FL 32207

With three clinic locations in the Jacksonville area, Nemours is a leading provider of pediatric specialty care in north Florida with many of our pediatric specialists regularly recognized as the "Best Doctors in America®." We offer comprehensive, family-

centered care in more than 30 pediatric specialties. Several of those specialties, offered in collaboration with Wolfson Children's Hospital, have been named among the best in the country by U.S. News & World Report.

Jacksonville is Florida's River City by the Sea. With 840 square miles, it is the largest city in the United States. It is a city that still has a small town atmosphere, but has grown to become a sophisticated business city with a penchant for culture, sports and exceptional quality of life. EverBank Field, home of the Jacksonville Jaguars, hosted the 2005 Super Bowl. Jacksonville is blessed with a natural beauty, located on the northeast tip of Florida. Tucked in and around boundless acres of water, this is Florida's First Coast.

The area is home to over 35 miles of sandy, white beaches; more than 55 world-class golf courses, including the Stadium Course at Sawgrass, home of the legendary 17th hole; beautiful state parks; luxurious spas and resorts. Cultural attractions include the Jacksonville Symphony; the Florida Theatre, which offers national performers on stage nearly every night of the year; touring Broadway shows; and the Museum of Science and History. With a mild year-round climate, Jacksonville offers a wide array of leisure activities for everyone to enjoy, including golf, tennis, boating, deep-sea fishing, kayaking, horseback riding, shopping and much more!

Nemours offers a competitive salary and benefits package that includes relocation, malpractice coverage, health, life, dental, CME, pension plan, 403B retirement plan, licensure and dues allowance, and 100% in-network health coverage for children of full-time Associates free of cost.
