

Pediatric Interventional Radiologist

The Department of Medical Imaging at Ann & Robert H. Lurie Children's Hospital of Chicago and Northwestern University Feinberg School of Medicine seek a full-time non-tenure-eligible Clinician-Educator experienced Pediatric Interventional Radiologist. Working with the Chair of Medical Imaging and Pediatric Interventional Radiology faculty, the candidate will participate in clinical and research activities related to Lurie Children's Department of Medical Imaging. Duties include performing interventional procedures, participating in outpatient clinics, consulting with referring clinicians, educating and mentoring trainees, and contributing to divisional and institutional research efforts.

Qualified candidates must have completed Interventional Radiology fellowship training (pediatric and/or adult), and maintain, or be eligible for, ABR subspecialty certification. Preference will be given to applicants with experience in Pediatric Interventional Radiology and academic interest. Applicants must be eligible for an academic appointment at Northwestern University Feinberg School of Medicine.

The Department of Medical Imaging is home to 28 radiologists who provide the complete spectrum of diagnostic and interventional pediatric imaging care. The Division of Pediatric Interventional Radiology performs over 3000 procedures annually. Procedures are performed in two dedicated single-plane IR suites and one dedicated biplane suite, as well as dedicated pre/post procedure areas. The Division includes dedicated neuro and body interventional radiologists, as well as two nurse practitioners.

Lurie Children's Hospital is a state-of-the-art 364 bed hospital completed in 2012 and located in the heart of downtown Chicago near miles of open lakefront full of scenic points and recreational opportunities. An abundance of cultural activities including museums, music, world-class restaurants and upscale shopping make this city a great place to live and work.

Lurie Children's complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, religion, sex, sexual orientation, gender identity or expression, age, or disability.

Please submit a cover letter and CV to Jared Green, MD, Division Head – Interventional Radiology, Department of Medical Imaging at jrgreen@luriechildrens.org
